

NOTICE OF REQUEST FOR QUALIFICATIONS FOR DISASTER RECOVERY SERVICES

The Lincoln County Port Authority (LCPA) is requesting Statements of Qualifications (SOQs) from qualified firms experienced in disaster response and recovery, including administrative documentation, project management, and funding reimbursement processes involving State and Federal agencies. The selected firm will provide assistance to LCPA with disaster recovery projects on LCPA property associated with Disaster Recovery DR-4901, for which LCPA is receiving State and Federal disaster assistance funding.

Minimum requirements include previous experience working with and meeting requirements of State and Federal Grant agencies in managing administrative documentation and grant submissions for disaster recovery. The full RFQ requirements can be picked up at the Lincoln County Port Authority (204 Industry Way, Libby, MT) or emailed by request from jenbrown@libby.org.

The selection of the successful firm(s) will be based on an evaluation of the written responses and an interview if LCPA deems the latter is necessary. The award will be made to the most qualified firm whose submittal is deemed most advantageous to LCPA, all factors considered. Unsuccessful offerors will be notified as soon as possible.

Please contact Director Jennifer Brown at (406) 405-9338 or jenbrown@libby.org to request additional information for this RFQ, as needed.

Qualifications, either a paper copy and/or an electronic copy of the SOQ, must be received by 12:00 p.m. on Monday, October 19, 2026, and should be submitted to LCPA, PO Box 1071, Libby, MT 59923, delivered to LCPA by appointment at 204 Industry Way in Libby, or via email to jenbrown@libby.org. Please state "Recovery Services" on the outside of the response package or subject line of the email.
